Hi LaDonna,

We haven't made vehicle arrangements yet, but were planning to rent a SUV as you recommended. It'd be best if we could all be in one vehicle. I'll check with Clancy when he returns tomorrow.

Cheers

Linda

Hi Linda.

I will try to provide Jackpile information to everyone tomorrow.

I think Ben Banipal wants to go to Haystack. Depending on available space, I could meet up with all of you for lunch or at Laguna. Do you have arrangements for vehicles? I do have a reservation for a car but may upgrade to a larger vehicle.

Thanks.

LaDonna Turner

Greetings Robin,

Thank you for making time for a tour on August 13. Please see itinerary below.

It will be a long day with lots of driving. It is in the 80s this week with scattered thunderstorms. We recommend boots or sturdy shoes, a hat and sun screen.

In the morning we will be visiting an abandoned uranium mine in the Haystack area of the Navajo Nation, near Prewitt, New Mexico. OSCs will be conducting a Removal Site Evaluation of the mine, including 99% gamma scans and soil samples (see attached briefing paper). For more information about the Navajo Abandoned Uranium Mines, please see:

LaDonna Turner of Region 6 will provide materials for the afternoon tour of the Jackpile mine on the Laguna Pueblo Indian Reservation.

Best regards,

Linda

Great! We'll work with Region 6 to plan a tour for August 13. I will be out next week but Linda Reeves will start the planning for us. If you have a point of contact for your logistics just let us know. We'll get you information in advance for airplane reading.

Hi Clancy -

Thank you very much! The 13th works well for me too. My remarks are scheduled for Tuesday. I'm really interested in seeing the mines, learning about their individual circumstances, understanding how we're addressing or plan to address them along with the many others and continuing to discuss the overall approach.

As you confirm plans just let me know the who, what and how as far as the logistics go.

I really appreciate your efforts in arranging the visits. I'm looking forward to it.

Best, Robin

Hi Robin. After our conversation yesterday I checked in with a few folks here and with Region 6. It would work out very well for us to provide a tour of uranium mines on the Navajo Reservation and possibly Laguna Pueblo (near Grants off I-40) when you are in Albuquerque in August. August 13 would be ideal for us so we are hoping that could work with your August 12-14 trip. Let us know if you are interested and we would be happy to arrange the tour. We could get you out there and back in one day.
